

Private Care & Personalized Services

Residents First

Our “Residents First” philosophy means that everything we do is done with our residents’ wants, needs and preferences in mind. This is why we offer personal care services for our valued residents that meet their changing needs and provide a worry free lifestyle they can enjoy, while remaining in the comfort of their own home.

Private care services are an excellent option for residents with a wide range of daily care needs. We offer Private Care Services including a combination of hospitality and health and wellness services designed to enhance each individual’s quality of life within the comfort and familiarity of your own surroundings.

You can enjoy privacy and independence with the peace of knowing that whatever your needs, we have the services to support your lifestyle.

Services we offer include:

- One on one companion services
- Assistance preparing meals
- Medication assistance
- Personal laundry/linen services
- Private nursing services
- Night checks
- Shower assistance
- Pre/post operation care

Companion Services

Whether you need someone to run errands or go for a walk or to play cards with, our caring and trusted companions are here to help maintain your independence and help you continue doing the things you enjoy in your life. We can also arrange overnight stays if needed.

Personal Care Services

We strive to make our residents feel comfortable in their own homes with Personal Care Services to assist with the tasks of daily living. Our personal care services include assistance in **personal laundry, dressing, bathing, and medication**. Please inquire about additional customized services to fit your needs.

Nursing Services

For your convenience, Nursing Services are available 24 hours a day, 7 days a week to assist with Doctor ordered care such as **daily blood pressure checks, oxygen assistance, or wound care/dressing changes** in the comfort of your own home.

Lifeline Systems

Are you worried about falling and not being able to reach your phone for help? For your security and peace of mind we offer Phillips Lifeline System that can be installed in your suite. In the event of a fall or emergency you will receive the assistance you need at the push of a button including calling “911” or your family if needed. Additional pendants are also available for rental fee.

Housekeeping Service

Our housekeeping staff can help you keep your home clean and tidy and/ or your clothing and linens laundered just the way you like.

Maintenance Services

Need a picture hung, a shelf built, help moving some things around your suite, painting or suite upgrades? Our onsite maintenance team can assist.

Christenson Communities and Christenson Health Services are both fully accredited organizations that have demonstrated that they meet national standards for excellence in leadership, management, employee engagement, quality living environments and healthcare services.
